

NWBSA Rules for all Games for the 2021 season

For Coaches

1. Coaches must print out a roster and bring to each game. Coaches will be required to verify with Players' Parents / Guardians that they have answered the Covid-19 exposure questions.
2. Coaches must supply a Signed Roster verifying that the Covid-19 questions have been done for all Players and Coaches present at the Game to the Referee.
3. Coaches must wear a mask at all times once they arrive at the field.
4. Coaches are responsible for monitoring that their Players maintain social distancing and wear their masks when not on the field of play.
5. Coaches must provide hand sanitizer and ensure that their Players use it when coming on or leaving the Field of Play during substitution or at the start of or end of a quarter.
6. Coaches must provide at least two, preferably three Game balls to the Referee.

For Players

1. Players must wear their masks and maintain social distancing when on the sidelines and not in the game.
2. Players must wash their hands every time they enter or leave the field of play via substitution. Coaches will provide them with hand sanitizer but are encouraged to have their own supply available.

For Parents / Guardians / Spectators

1. They should maintain social distancing and wear masks **if not fully vaccinated** once they arrive at the Field of Play. Mask exceptions apply for children under the age of two or for persons who can't wear a mask due to medical reasons. If they can't wear a mask, they should maintain a social distance away from all other spectators.
2. If the Ball leaves the Field of Play during the Game, Spectators are asked to NOT pick up / retrieve the Ball. Let the Players retrieve it.
3. They must be at least six feet from the Touch Lines at all times to maintain Social Distancing from all Players and Referees.
